## *Rolling Hills Public Charter School*

---

August 29, 2009

Dear Rolling Hills Constituency,

It is an honor and a privilege to have recently been selected as the Administrator at Rolling Hills Public Charter School. I am very excited and eager to meet all the students, learn their names, and learn all about them. I am equally excited to begin to develop a relationship with each and every parent.

I love working with teachers, students, and parents. Spending time with children, for me, is therapeutic, an excellent antidote for stress and a fine cure for the impact of change. Of course, after the children -- their safety and education, I believe there is a moral imperative that our school be the best it can be. Therefore, I want to personally invite you to become involved in the school process. Education is now a competitive venture. School choice is now an option for all parents, and my experience is that they exercise that choice based on the quality of the product.

I want you to know that I have a strong sense of job commitment. I am currently working with a strong sense of urgency. I am accelerating all aspects of my work, even if it means living with a few ragged edges. In today's educational environment, success belongs to those who are committed, to those who work from the heart, to those who invest themselves passionately in their job, and to those who recommit quickly when change reshapes their environment. I am absolutely committed to helping Rolling Hills Public Charter School be the finest school it can be, a school with a reputation second to none.

I hope that you will join us as we collaboratively move into the coming school year. I want to assure you that the children who attend Rolling Hills Public Charter School will be in good hands. I am committed to creating a safe, nurturing, and caring environment for all children. I will strive to help create an environment where students will want to return to school each and every year.

My e-mail is [jmontgomery@rhpcs.org](mailto:jmontgomery@rhpcs.org) for those of you who would like to start corresponding immediately. I can be reached by phone @ 965-3650 if you'd like to contact me by phone.

I am meeting new people every day, and thoroughly enjoying the experience. Please drop by the school to visit if you have the time. It is a great time to be an educator.

Have a great school year. I am looking forward to meeting all of you.

Sincerely,

*John K. Montgomery*
